

Active Phonics at Home

Dough Letter Formation

1. Use ccccookie or play dough and 'play I spy' to go and find things around the home, with the 'c' sound.
2. We found a cup, cork and cat. Copy the sound, or use a sound chart so children can make the letter sound.
3. What other things have the 'c' sound/phoneme? The real fun of course will be eating the cccookies!
