

Event Announcement

## COVID RECOVERY WORKSHOP

**Tuesday 3<sup>rd</sup> November 2020**  
**10am – 11am**

In this session phonics specialists will give advice and support around teaching phonics post COVID. We will share our template action plan, talk through and give examples of how you can quickly raise standards and give you our 10 top tips for phonics in the autumn. This session is a generic session and it does not matter which phonics scheme you use in your school - it is suitable for everyone!

The session will be led by Jodie Matthews (Hub Lead) and Janet Thompson (Hub Literacy Specialist).

To book onto the Workshop please use the following link -
