

Impact 2022-23

Showcases

8 showcases **105** schools

100% of our Wave 4 partner schools in West Northants, Rutland and Luton have improved on their PSC results from last year.

"We have really appreciated our LS's professional, positive and supportive approach on all of her visits. Staff have responded really well to monitoring and coaching. Thank you!"

Expert Teaching of SSP in School

100% of schools we work with reported that their staff now feel confident when teaching phonics and that the English Hub has supported them to build a team of reading experts.

"Happy to have the Hub support, our LS has been very supportive and engages beautifully with staff and pupils in order to perfect phonics teaching."

Impact of Phonics in School

100% of schools that we work with say that their phonics and reading provision has considerably improved since working with the English Hub.

"Excellent support. Very knowledgeable about phonics. Improved phonics teaching as a result. Excellent coach."

Improvements

100% of our partner schools say the improvements in their school are down to the support of the English Hub.

"Our LS was so friendly and never made me or my staff feel judged. It has been a pleasure working with her."

Profile of Phonics in School

100% of partner schools say that the profile of reading and phonics has considerably improved since working with the English Hub.

"Being part of the English Hub has given me the support needed to inform SLT of how important and crucial phonics is."

Partner Schools

"The support from our LS has been excellent. She helped us to continue to move forward and ensure we are embedding our SSP into our school successfully. The additional courses which are available are excellent and we have attended many of them. Thank you, we are loving being a partner school."
