

# Phase 5 Blending to Read Parent Booklet

---

Year One words for parents to read with their children at home.

**Roade English Hub**  
**1/1/2020**

No printer, no problem. Just read straight from the screen. One page each day or at a pace to suit your child. Alternatively print and have as a book. Simply say the sounds, use the picture to help you remember. Point to each sound, 'c' - 'oa' - 't',

then say the whole word = 'coat'. Repeat a few times randomly, not always down each column. This will keep it fun and build fluency. Challenge: Can you read super fast, by yourself? No printer, no problem. Just read straight from the screen.

1. Ask your child, **split digraph?** - 'a-e'
2. Sound out, **C a-e k**
3. Read the word - **cake**  
Ensure your child finishes, saying the whole word- 'cake'
4. Repeat for all words, helping your child to say the digraph, trigraph or split digraph first and then sound out the word.

**Simple version:** help your child to sound out the word,

'c' 'a-e' 'k' = cake
